Welcome to Quora! Quora is a platform to gain and share knowledge, empowering people to learn from others and better understand the world.

These terms of service ("Terms of Service") set forth the agreement ("Agreement") between you and Quora, Inc. ("Quora" "we" or "us"). It governs your use of the products and services we offer through our websites and applications (collectively the "Quora Platform").

Please make sure to read it, because, by using the Quora Platform, you consent to these terms.

1. The Mission of the Quora Platform

Quora's mission is to share and grow the world's knowledge. The Quora Platform is a place to ask questions and connect with people who contribute unique insights and quality answers. This empowers people to learn from each other and to better understand the world.

2. Using the Quora Platform

- a. **Who Can Use It.** Use of the Quora Platform by anyone under 13 years of age is prohibited. You represent that you are at least the age of majority in the jurisdiction where you live or, if you are not, your parent or legal guardian must consent to these Terms of Service and affirm that they accept this Agreement on your behalf and bear responsibility for your use. If you are accepting these Terms of Service on behalf of someone else or an entity, you confirm that you have the legal authority to bind that person or entity to this Agreement.
- b. **Registration.** When you set up a profile on the Quora Platform, you will be asked to provide certain information about yourself. You agree to provide us accurate information when you create your account on the Quora Platform. We will treat information you provide as part of registration in accordance with our [Privacy Policy](#). You should take care in maintaining the confidentiality of your password.
- c. **Privacy Policy.** Our privacy practices are set forth in our [Privacy Policy](#). Your use of the Quora Platform is subject to our [Privacy Policy](#).
- d. **Acceptable Use Policy.** In your interaction with others on the Quora Platform, you agree to follow the [Acceptable Use Policy](#) at all times.

- b. **Ownership. You, or your licensors, as applicable, retain ownership of the copyright and other intellectual property in Your Content, subject to the non-exclusive rights granted below.**
- c. **License and Permission to Use Your Content.**
 - i. By submitting, posting, or displaying Your Content on the Quora Platform, you grant Quora and its affiliated companies a nonexclusive, worldwide, royalty free, fully paid up, transferable, sublicensable (through multiple tiers), license to use, copy, reproduce, process, adapt, modify, create derivative works from, publish, transmit, store, display and distribute, translate, communicate and make available to the public, and otherwise use Your Content in connection with the operation or use of the Quora Platform or the promotion, advertising or marketing of the Quora Platform or our business partners, in any and all media or distribution methods (now known or later developed), including via means of automated distribution, such as through an application programming interface (also known as an "API"). Any edits and changes made by you may be visible to other users. The right for Quora to copy, display, transmit, publish, perform, distribute, store, modify, and otherwise use any question you post, and sublicense those rights to others, is perpetual and irrevocable, to the maximum extent permitted by law, except as otherwise specified in this Agreement.

 - iv. You understand that we may modify, adapt, or create derivative works from Your Content in order to transmit, display or distribute it over computer networks, devices, service providers, and in various media. We also may remove or refuse to publish Your Content, in whole or part, at any time.
 - v. You further give us the permission and authority to act as your nonexclusive agent to take enforcement action against any unauthorized use by third parties of any of Your Content outside of the Quora Platform or in violation of our Terms of Service.
- d. **Your Responsibilities for Your Content.** By posting Your Content on the Quora Platform, you represent and warrant to us that: i) you have the ownership rights, or you have obtained all necessary licenses or permissions to use Your Content and grant us the rights to use Your Content as provided for under this Agreement, and ii) that posting Your Content violates no intellectual property or personal right of others or any applicable law or regulation, including any laws or regulations requiring disclosure that you have been compensated for Your Content. You accept full responsibility for avoiding infringement of the intellectual property or personal rights of others or violation of laws and regulations in connection with Your Content. You are responsible for ensuring that Your Content does not violate Quora's [Acceptable Use Policy](#), [Copyright Policy](#), [Trademark Policy](#), other published Quora policy, or any applicable law or regulation.
